Academic Year:2021-22

Conference Publications: 01

S.No.	Name of the Faculty	Name of Conference Attended	Paper Entitled with	No. of Days	From Date	To Date
1.	Dr.K.ShirinBhanu Dr.G.Loshma	First International Conference on Computational Intelligence for Engineering and Management Applicatications (CIEMA)-2022	Productive inference of convolutional neural networks using filter pruning frame work	02	26/06/2022	27/06/2022

Vision: To evolve as a centre of academic and research excellence in the area of   Computer Science and Engineering.
 Mission: To utilize innovative learning methods for academic improvement.
      To encourage higher studies and research to meet the futuristic requirements of Computer Science and Engineering.
    To inculcate Ethics and Human values for developing students with good character.
