Memorandum of Understanding

This **MEMORANDUM OF UNDERSTANDING** ('MOU') has been made and agreed upon on **8th July 2019** by and between **EFY Enterprises Pvt Ltd**, having its registered office at D-87/1, Okhla Industrial Area, Phase 1, New Delhi 110020 (hereinafter referred to as "EFY") of the one part, through its Director, Sh. Ramesh Chopra and **Sri Vasavi Engineering College**, Tadepalligudem, Andhra Pradesh with their registered office at Pedatadepalli, Tadepalligudem, Andhra Pradesh-534101 (herein referred to as 'ESDC' i.e. EFY Skill Development Centre), represented by Dr. Guduru VNSR Rathnakar Rao, Principal, **Sri Vasavi Engineering College**, Tadepalligudem, Andhra Pradesh for the specific purpose of establishing a training tie-up between the two parties.

WHEREAS EFY is a media company and has a portfolio of **Marketing Solutions** (such as advertising & publicity through publications, events, websites, etc) and **Knowledge Solutions** (such as DIY Kits, Publications, Workshops, Seminars and Training Courses).

AND WHEREAS Sri Vasavi Engineering College is an educational institution in Tadepalligudem, Andhra Pradesh, India. It is affiliated to Jawaharlal Nehru Technological University, Kakinada, A.P. and is approved by All India Council for Technical Education, New Delhi and also accredited by NBA.

This MoU is for a period of ONE year (12 months) from the date of signing of this agreement. Through this agreement, the two parties confirm their intent to collaborate with each other. Listed below are specific roles, responsibilities that define this MoU.

Collaboration's Objective:

The objective of this collaboration is to set up an EFY-Certified Skill Development Centre in your institution, in partnership with EFY. Referred to as ESDC, the Centre would help students improve their hands-on skills, make exciting projects of their own, and get to understand the latest technologies.

Deliverables From EFY Group:

- EFY will certify the ESDC in your institute as a Skill Development Centre.
- EFY will provide 50 subscriptions (copies) of Electronics For You monthly magazine for your ESDC each month for one year.
- EFY will provide access to 10 digital subscriptions of Electronics For You magazine (called e-Zine) for your ESDC for one year.
- EFY will provide access to 10 difference online courses related to Arduino, Raspberry Pi, IoT, etc each of which can be attended by up to 10 students. EFY will also certify participation of those 10 students. If more students wish to join and get certificate, they can do so by paying the registration fee of Rs 500 per student for each course.

- Kits 'n' Spares (kitsnspares.com)

- EFY will provide access to 10 students for monthly webinars on different topics. EFY will certify those 10 students for participation. If more students wish to join and get certificate, they can do so by paying the registration fee of Rs 500 per student for each webinar.
- EFY will provide DIY kits, self-learning kits, development boards, electronics components, books, etc for the ESDC, as per Annexure 'A'. Students can send up to two of their best projects to EFY for publication EFY, which will be published if approved by EFY's editorial team. On publication, EFY will give a token honorarium amount and certificate (s) to the student/team as per EFY's policy at that time.
- In addition, technical expert(s) from EFY will visit your ESDC twice in a year to interact with the students and audit ESDC electronics lab and facilities. EFY will arrange additional requirements of ESDC at a competitive price and at a discounted price in case of an EFY product/service.

Roles and Responsibilities of ESDC:

- ESDC to use 'EFY Skill Development Centre' as the name of the club.
- ESDC to provide space for the club in the college.
- ESDC to promote this collaboration through marketing channels available with them.
- ESDC to make advance payment to EFY for all products and services solicited

Commercials:

- The overall annual tie-up cost will be INR 1,00,000 + GST where applicable.
- The ESDC will bear the traveling and accommodation cost for the visits of EFY's technical expert(s).

CONFIDENTIALITY

Both parties agree that all confidential and/or proprietary information received from the other party or client shall be treated in a confidential manner and not disclosed to any third party or used for any commercial or business benefit during the term of this agreement and thereafter. The above clauses define the entire agreement. No other communication between either parties can supersede the clauses defined here. If any of the parties are to modify the agreement subsequently, then they will have to do so through Annexure, which will have to be jointly signed by authorised representatives of both parties.

INDEMNITY

Both parties agree to indemnify and hold the OTHER PARTY, its directors, its officers, employees and agents from any and all liability, demands and losses (including attorney fees) of any nature in connection with its services provided.

TERMINATION

This agreement can be terminated by either party giving a notice period of one month. Any termination of this agreement by either party shall be communicated in writing and shall specify the effective date thereof. Even after the termination, both parties will be expected to fully execute their roles and responsibilities set in this agreement and settle all payments due to each other. However, the tie-up cost of INR 1,00,000 will non-refundable.

LEGAL JURISDICTION

This MoU will be governed by and construed in accordance with the laws and regulations of the Honourable High Courts of New Delhi.

Submitted to the Principal

Subject: Requesting to setup an EFY-Certified Skill Development Centre in ECE Department-regarding.

It is proposed to setup an EFY-Certified Electronics Skill Development Centre (ESDC) in ECE department in association with EFY. The ESDC center would help our students to improve their hands-on skills, make exciting projects of their own and get to understand the latest technologies.

The following are the benefits from EFY through ESDC:

- EFY will certify the ESDC in our institute as a Skill Development Centre.
- EFY will provide 50 subscription as (copies) of Electronics For You monthly magazine for our ESDC each month for one year.
- EFY will provide access to 10 digital subscriptions of Electronics For You magazine (called e-Zine) for our ESDC for one year
- EFY will provide access to 10 difference online courses related to Arduino, Raspberry Pi, IoT, etc which can attend by 10 students. EFY will also certify those 10 students for participation.
- EFY will provide access to 10 students for monthly webinars on different topics. EFY will certify those 10 students for participation
- EFY will provide DIY kits, self-learning kits, development boards, electronics components, books, etc for the ESDC
- Students can send up to two of their best projects to EFY for publication EFY, which will be published if approved by EFY's editorial team. On publication, EFY will give a small honorarium amount to the student/team as per EFY's policy at that time.

Technical expert(s) from EFY will visit our ESDC twice in a year to interact with the students and audit ESDC electronics lab and facilities. EFY will arrange additional requirements of ESDC at a competitive price and at a discounted price in case of an EFY product/service

Terms and conditions:

The annual tie-up cost will be **INR 1,00,000 + GST**.

The ESDC will also bear the traveling and accommodation cost for the visits of EFY's technical expert(s).

Kindly accept our proposal and do the needful.

Thanking You.

Yours sincerely,

SVEC/ECE/Office/Circular/2019-20/ 07

Dt: 14-08-2019

CIRCULAR

This is to inform all faculty and students that our department signed an MoU with Electronics for You (EFY), New Delhi- publishers of renowned electronics magazine with the following provisions:

1. EFY will provide access to 10 students for monthly webinars on different topics and also provide participation certificates. Every additional student need to pay a registration fee of Rs 500 per student for each webinar.
2. EFY will provide DIY kits, self-learning kits, development boards, electronic components, books, etc., for Electronic Skill Development Centre (ESDC). Students can submit up to two articles which are redirected to EFY's editorial team. If selected, students will be given honorarium amount and certificate(s) to the student/ team as per EFY's policy at that time.
3. In addition, experts from EFY will visit our ESDC twice in an year to interact with the students and audit ESDC lab and facilities. EFY will arrange additional requirements of ESDC at a competitive price and at a discounted price in case of an EFY product/ service.

In view of the above mentioned points, **Sri K.S.S. Kiran, Asst. Professor is appointed as Coordinator for ESDC** to handle the activities held by it.

In this context, I request all the faculty, staff and students to cooperate with him for smooth running of ESDC.
