Report of the Industrial Visit

This is to bring to your kind information that, 30 Members of Our ECE Department SPACE CLUB members have visited "ElectroPro- E-Waste Refurbishing Centre" Razole, East Godavari District, and Andhra Pradesh. This Industrial Visit Program was organized under AICTE Sponsored SPICES Scheme on 7th December 2022. One faculty coordinator was also accompanied the students.

Our college has arranged the Transport facility, refreshments and Lunch to all students attended.

During the Morning Session, the students have visited the E-waste plant and know the process of refurbishing and ElectroPro team has conducted one class and explained how to make products with E-Waste and how to calculate the cost for E-Waste.

During the afternoon Session, our students have visited One Harbour which is located at nearby the Plant. There our students have divided into groups and interacted with fishermen and identified some problems. These problems will help to do the some kind of Community Service Projects.

Finally Our students are very much satisfied with the one day Industrial visit program.
Thanks to ElectroPro Team members.
