Refresher Course/Faculty Orientation and Other Programmes

At Sri Vasavi Engineering College, we prioritize the growth and development of our faculty through development programs. In A.Y. 2022-2023, a significant number of 113 faculty members actively participated in a range of enrichment activities, including FDPs, STPs, PDPs, workshops, conferences, and seminars. This showcases our institution's dedication to learning and skill enhancement as per UGC and AICTE standards.

In the A.Y. 2021-2022, 83 faculty members participated in 184 programs, demonstrating their commitment to academic excellence. However, there was an increase in engagement during the A.Y. 2020-2021, with 97 faculty members attending a record high of 315 programs. The highest level of involvement was observed in the A.Y. 2019-2020, when 127 faculty members participated in a total of 425 programs. These numbers reflect our approach to embracing educational opportunities. Our journey towards increased participation began in the A.Y. 2018-2019, with 128 faculty members participating in 222 programs.

The active involvement of our faculty in these initiatives at Sri Vasavi Engineering College showcases their dedication to personal and professional growth and contributes directly to enriching our educational environment.

As our educators incorporate the knowledge and innovative practices gained from these programs, the teaching and research quality on campus has experienced a boost. This ensures that our curriculum and teaching methods stay current with the academic advancements.

Sri Vasavi Engineering College's strict adherence to UGC/AICTE guidelines by actively participating in these developmental programs demonstrates our institution's commitment to maintaining high academic and professional standards. The consistent involvement year after year in various programs shows our faculty's unwavering dedication to excellence and our commitment to offering students a notch educational experience enriched by the most recent advancements in their respective fields.
