### **Report on Student Attributes Facilitated by the Institution**

To foster all round development of a student, there is a need to strike a balance between syllabi curriculum, co-curricular and extracurricular activities. Co-curricular activities give the students an opportunity to develop particular skills and exhibit their non-academic abilities. Extracurricular activities offer the students an opportunity to work with others and gain essential life skills. The Sri Vasavi Engineering College strives to facilitate students to achieve transparency in profession and excellence in all its curricular, co-curricular, and extra-curricular activities.

To achieve this goal following are the student attributes facilitated by the college:

S.No.	Attribute	Facilitated through
1	Excellence and Knowledge enrichment	The Institute promotes excellence in all as a quality among the students in all their activities and inspires them to strive for the best. The institute has state of art laboratories, ICT enabled class rooms, modern curriculum, internship in industries, facilities for co-curricular and extra-curricular activities that help them to show their proficiency. There are many Add-on courses, online courses provided for the students to enrich and fill the gap with the curriculum and industries.
2	Discipline and Value addition	The institute maintains the students to develop among them discipline, punctuality, behavioral decorum and professional ethics. There is a learning management system (ECAP) in the institute. The class attendance of students is communicated to the guardian of the student regularly through SMS. This enhances the punctuality of the student. Participation in Workshops/Seminars/Conferences/Symposia adds values to the students.
3	Integrity and Dignity	Integrity is the quality of being honest in all things, to all people, and at all times. The institute takes efforts to nurture this quality among students both in the personal and social dimensions. The good character should include the strength to recognize human dignity. This is achieved through curricular, co-curricular and extracurricular activities. Invited talks and Students Council activities are also offered.
