

BRITISH COUNCIL CERTIFICATION COURSE

Sri Vasavi Engineering College is very keen to enhance pupils' LSRW (Listening, Speaking, Reading, and Writing) abilities. These skills are critical to their overall academic and personal growth. By emphasizing listening skills, students develop their capacity for understanding spoken language as well as their ability to focus and think critically. Speaking abilities enable pupils to confidently express their thoughts and ideas, which promotes efficient communication. Proficiency in reading is essential for learning and understanding, allowing pupils to effortlessly traverse a wide range of literature. Conversely, writing abilities enable pupils to articulate themselves in a logical and imaginative manner, refining their ability to convey concepts with clarity. In addition to providing students with the necessary language skills, a comprehensive approach to LSRW skills improves their cognitive capacities and sets them up for success in the classroom and beyond. With this motto the college has signed an MOU with CSC| e-Governance Services India Limited which offered British Council Spoken English Course named English Strokes & Certification programme along with a Career & Personality Development Course & Certification Programme which was done under the National Digital Literacy Mission, i.e., NDLM and Skill India Scheme. So, the Certification Course was implemented for B.Tech first year students. The number of students enrolled in this programme was **1055**. This course was procured for **Rs.106555/-** by the Management of Sri Vasavi and it is offered for free to all the first year students of 2022-2023 batch.

There are three levels in English Strokes, Students completed all the three levels and secured Certificates for these. By completing English Strokes, they acquired three levels of Certificates and the fourth certificate is for Career and Personality Development.

In a similar fashion the Management procured Cambridge Certification Course “Empower B2” for all the First B.Tech, students of 2023-2024 batch. All the students got enrolled in this Course and it

List of students who got enrolled in British Council Certification Course.

Date:13/12/2023
