Subject: Seminar on “Empowering Women: Catalyzing Success in Entrepreneurship” for girl Students - 01st March, 2024

* * *

We are happy to announce the seminar on “ **Empowering Women: Catalyzing Success in Entrepreneurship** ” organized by the Women Grievance and Redressal Committee. This seminar is specifically focused on empowering women in entrepreneurship. In line with our commitment to support and promote gender equality, we recognize the invaluable contributions that women make to our society and economy.

Date: 1st March, 2024

Time: 10:00 AM

Venue: Vivekananda Seminar Hall

We are immensely privileged to welcome **Mrs. U.R.Aiswarya**, Franchisee holder of several organisations, Rajahmundry, to acknowledge the existing disparities and barriers that obstruct women to fully participate and succeed as entrepreneurial endeavors. Also provide valuable guidance and inspiration to our students.

We invite our entire female faculty to actively engage with and support this initiative, as it strives to create a future where every woman has the opportunity to thrive and succeed in the entrepreneurial society. We eagerly anticipate your active participation, and together, we look forward to making this event a resounding success.

(Dr Purnima K Sharma)

Vision

To be a premier technological institute striving for excellence with global perspective and commitment to the nation.

Mission

- To produce Engineering graduates of professional quality and global perspective through learner-centric education.
- To establish linkages with government, industry and Research laboratories to promote R&D activities and to disseminate innovations.
- To create an eco-system in the institute that leads to holistic development and ability for life-long learning.
