### About College

Sri Vasavi Engineering College was established in the year 2001 by "Sri Vasavi Educational Society" with a desire to share the responsibilities of the society for the development of quality Technical Education. The college, shaping its students into disciplined young citizens of good character and culture lays emphasis on practical experience so as to enable them industry ready. The college is recognized by AICTE and permanently affiliated to JNTU Kakinada and also recognized by UGC under section 2(f) & 12(B). The College got UGC Autonomous status in the year 2018. The college offers UG, PG and Diploma Programs in Engineering (EEE, ECE, CSE, ME, CE, CST, ECT, AI&ML and CSE (AI)) & CSE (DS) along with MBA. The college is accredited by NAAC with "A" Grade. UG Programs offered by the departments of EEE, ME, ECE & CSE are accredited by NBA.

### About UHV FDP

The 3-week Student Induction Program (SIP) mandates the participation of all new first-year students. Among its 8 modules, Universal Human Values-I (UHV-I) holds a central position. This

module is to be conducted by faculty members from the respective branches/disciplines/ streams of the student cohort. AICTE also has a mandate to offer UHV II (3 credit course) in third semester of all branches/discipline/streams. To ensure preparedness, faculty members need to be trained as UHV I Mentors at a ratio of 1:20 and 1:120 as UHV II faculty. The All India Council for Technical Education (AICTE) is organizing 3-day and 7/8-day Faculty Development Programs across the country for this purpose. Certification in UHV-II is mandatory for faculty to teach UHV-II credit course.
