## Introductory Faculty Development Programme on Universal Human Values-I

### About College:

"Sri Vasavi Engineering College" was established in the year 2001 by "Sri Vasavi Educational Society" with a desire to share the responsibilities of the society for the development of quality Technical Education. The college, shaping its students into disciplined young citizens of good character and culture lays emphasis on practical experience so as to enable them industry ready. The college is recognized by AICTE and permanently affiliated to JNTU Kakinada and also recognized by UGC under section 2(f) & 12(B). The College got UGC Autonomous status in the year 2018. The college offers UG, PG and Diploma Programs in Engineering (EEE, ECE, CSE, ME, CE, CST, ECT, AI&ML and CSE (AI)) along with MBA. The college is accredited by NAAC with "A" Grade. UG Programs offered by the departments of EEE, ME, ECE & CSE are accredited by NBA.

### About Introductory FDP on UHV – I

The Student Induction Programme (SIP) is to conduct to newly admitted undergraduate students for the new stage in their life by facilitating a smooth transition from their home and school environment into the college and university environment. It is one of the mandatory programme in the AICTE Model Curriculum and is to be conducted during the first 3 weeks of the first semester before regular classes begin. It is to be coordinated by Dean, Students in every institution and involve key faculty members, alumni and student volunteers

in delivery. To ensure the implementation of SIP, and in particular to prepare the faculty, AICTE formed a National Coordination Committee for student Induction (NCC-IP).

The UHV-I module of SIP is its core module (there are 7 other modules). To conduct the UHV-I module effectively, well prepared UHV Faculty (Mentors) are required. The number of UHV Faculty to be prepared is as follows: 1 faculty for every 20 students (Actual intake in 1<sup>st</sup> Year) in each department of each college.

### Objectives of the Programme:

- To understand the role of the human being and the underlying harmony in nature, in existence, to live by it, and to develop an equitable and just society which ensures the wellbeing of all.
- To sensitize the participants about the scope of life – individual, family, society and nature/existence.

### Participants' Selection Criteria:

Selection will be done based on first-cum-first serve and the conformed candidates will be notified immediately. The maximum number of participants is 100. The list of selected participants, schedule and other relevant information will be communicated through Whatsapp group.

### Criteria to get Certification of Participation:

Please note that AICTE will issue certificates only to those participants who successfully complete the certification criteria.

At least 90% attendance in all sessions, completion of all assignments, active participation in all reflections, all quizzes, pre and post workshop survey, self evaluation and submission of all assignments is essential.

### Targeted Participants:

Faculty members of Engineering and other Professional Colleges in the state of Andhra Pradesh

### Mode of Conduct:

Face to Face (Off-line)

### Registration Fee:

There is no registration fee for participants.

### Link for registration:

<https://fdp-si.aicte-india.org/register1.php?detail1=377&detail2=south-central>

### Important Dates:

Last Date of Registration: 08-04-2023  
 Intimation of Selected Candidates: 08-04-2023  
 Starting Date of Program: 10-04-2023  
 Participants will be informed through e-mail.  
 E-certificate shall be issued to the participants subject to the fulfilment of certification criteria.

### Accommodation & Food:

Free accommodation will be provided by the host institute to the outside participants. Afternoon Lunch, and Tea & snacks will be provided to all participants at free of cost.

The UHV Team comprises of the following members:

It was the great initiative by Sri Vasavi Engineering college to conduct the Face-to-Face Introductory Faculty development Programme on Universal Human Values –I. We received huge response from the participants appreciating our efforts and the sessions as feedback. We are thankful to AICTE for giving us the opportunity to host the FDP from 10-04-2023 to 12-04-2023 at Sri Vasavi Engineering College, Tadepalligudem, Andhra Pradesh, India.
