OFFER LETTER

Dear Tarun Kumar,

On behalf of **nCircle Tech Pvt. Ltd., A ProtoTech Solutions Company**, I am pleased to extend you offer for Internship as **Intern - Member of Technical Staff**. Following are the terms and conditions of the same.

1. The employing company shall be nCircle Tech Pvt. Ltd., A ProtoTech Solutions franchisee. (Hereafter the "Company").
2. You are required to join the Company on **11th February 2019** as an Intern and report at **10:00 AM IST**. If you accept this offer and fail to join the Company by the date mentioned above or any other date approved by the Company in writing, this offer shall automatically stand cancelled.
3. You will be on internship for a period of **Five months (11th February 2019 to 31st June 2019)**. Upon completion of your internship, your performance shall be thoroughly evaluated and if found satisfactory, you will be formally employed as a regular employee in accordance with the "Rules of Employment". Also, note that we, the nCircle Tech. Pvt. Ltd shall have the first right of employment over you.
4. As a stipend, you will be paid INR 10,000 per month during your internship period.
5. This offer is being made in good faith on the basis of the information and documents provided by you during the recruitment process. The Company reserves the right to conduct background checks, directly or indirectly, to verify such information and documents. If any discrepancies are found in such information or documents or if the results of such background check are found to be unsatisfactory, as determined by the Company, in its sole discretion, the Company may withdraw/cancel this offer.
6. You will be based at the Company's office at "**nCircle Tech (A ProtoTech Solutions Company), Unit 2, Office No. 3, 4th Floor, Building no. IT7, Plot No. 2, Qubix SEZ, Blue ridge Township, Hinjewadi, Phase 1, Pune 411057**" unless communicated otherwise by the Company prior to your joining. You may be called to work at any of the Company's establishments or to undertake tours or undertake other assignments in connection with the Company's business.
7. Your position shall be of **Intern - Member of Technical Staff**. Following list is partial list of your roles and responsibilities in the Company.
 - Perform development of software applications/tools as per clients' requirements.
 - Communicate with clients and provide them with consultation on various aspects of project.
 - Monitor and measure project progress.
 - Develop key core algorithms for engineering applications.

8. Since the work you will be engaged in would be very confidential and an intellectual property of the Company and the Client, any presentation you would be required to make at the end of your internship before college as part of your academic mandate, needs to be approved by the Company.
9. It is a specific term of your Internship that you will not at any time during your internship or after termination of your internship, divulge to any person, firm or corporation, any information received by you during the course of your internship with regard to financial or other affairs of the Company and such information shall be kept confidential by you. You shall also not divulge, publish or otherwise reveal any knowledge or information or any facts concerning any ideas, methods, invention, processes or devices used by the Company and disclosed to you by reasons of your employment.
10. Your appointment is subject to submitting of **copies of all the educational certificates** and successful completion of your internship period of **5 months**.
11. You certify that you are in sound physical and mental health to perform your duties and responsibilities as a part of the company and you are not suffering from any diseases that may hinder your work at the company.
12. You shall keep the contents of this offer and any Annexure hereto confidential.
13. This letter supersedes all previous agreements, either written or verbal. If you find the terms of this offer acceptable, please countersign the attached copy of this letter. Your employment with the Company will be valid subject to your, signing Employee Confidentiality after the acceptance of the offer.

Your Key Result Areas (KRA) would be:

- Working on the projects assigned
- Perform development of software applications/tools as per clients' requirements.
- Communicate with clients and provide them with consultation on various aspects of project.
- Monitor and measure project progress.
- Develop key core algorithms for engineering applications.

I welcome you to ProtoTech Family,

For nCircle Tech Pvt Ltd.

Varun Bhartiya Director

I, **Tarun Kumar** have read the terms and conditions mentioned in this letter and accept them.

Annexure 2

It is mandatory that you bring the following documents on the date of joining:

- a) All Original Certificates (from SSC onwards) and mark sheets (including all semesters) and photocopies of the same.
- b) Identity Proofs - PAN Card, Aadhar Card, Passport, Driving License, Voter's card
