Dear HOD,

As per the technical discussion at your campus and subsequent telephonic talk regarding the project title "Water Monitoring for Aquaculture using IoT",

we are happy with the progress shown by three of your final semester students namely Vishnavi, Purushotham and Radha.

The support from the mentors of IoT Lab towards this project has enriched the students in doing the project.

Further, as per the terms regarding the remuneration, an amount of Rs. 6000/- will be paid after the completion of the project.

Thanks & Regards

Sankar Satya
