

SRI VASAVI ENGINEERING COLLEGE (AUTONOMOUS)

(Sponsored by Sri Vasavi Educational Society)

(Approved by AICTE, New Delhi & Permanently affiliated to JNTUK, Kakinada)

(Accredited by NAAC with 'A' Grade, Recognized by UGC under section 2(f) & 2 (B))

(NBA Accreditation to B.Tech, EEE, CSE, ME and ECE Branches for 3 Years)

Pedatadepalli, **TADEPALLIGUDEM - 533101**. W.G Dist. **(A.P)**

6.1. Institutional Vision, Mission & Leadership

6.1.1 QIM	<i>The institutional governance and leadership are in accordance with the vision and mission of the Institution and it is visible in various institutional practices such as NEP implementation, sustained institutional growth, decentralization, participation in the institutional governance and in their short term and long term Institutional Perspective Plan.</i>
----------------------	--

Response:

The Vision, Mission, and Quality Policy of the Institute below serve to articulate its primary ideology and focus.

In accordance with the Vision the Institution implements a decentralized and transparent approach in managing its academic affairs, administration, finances, and overall operations. This approach involves assigning suitable responsibilities to lower-level management, which allows top management to concentrate on major decisions and policymaking.

The establishment of regulatory committees such as the Governing Body, Academic Council, Finance Committee, and Board of Studies is methodically executed, adhering to designated functions and obligations as dictated by the governing authorities. These committees significantly contribute to the formulation of policies regarding governance, academics, financial matters, research, and the teaching-learning process to successfully accomplish short term and long term goals..

The Principal offers guidance in academic administration and cultivates a productive atmosphere that promotes learning. He/She guarantees that students receive a high-quality education, encouraging their comprehensive growth. Additionally, the Principal ensures the Institute's well-rounded development and realizing its strategic objectives. He/She facilitates the institution's seamless operation with assistance from the Director, Deans, and Heads of the department. Examination-related tasks are strategized, carried out, and supervised by the Controller of Examinations. Department Heads manage the seamless operation of all academic activities at the departmental level. Class teachers are responsible for overseeing the delivery of classes, while lab in-charges make decisions regarding laboratory operations. Multiple committees like IQAC, Examinations, Disciplinary, Academic Auditing committees, and many provisional committees collaborate in strategizing, organizing, executing, and overseeing the institution's various activities.

Vision:

To be a premier technological institute striving for excellence with global perspective and commitment to the nation.

Mission:

- To produce Engineering graduates of professional quality and global perspective through Learner Centric Education.
- To establish linkages with government, industry, and Research laboratories to promote R&D activities and to disseminate innovations.
- To create an eco-system in the Institute that leads to holistic development and ability for life-long learning.

Quality Policy:

Sri Vasavi Engineering College works towards excellence in technical education by providing quality Engineering education with global standards and state-of-the-art infrastructure to develop the institution as a trendsetter moulding young minds into technocrats with national commitment.
