Best Practice-2: Campus ERP Software

Campus ERP software plays a crucial role in the functioning of an organization. In Sri Vasavi Engineering College, ECAP software is a part of institutional functionality. This software provides the entire information regarding the college functioning in all aspects like academic details, student information, circulars, faculty attendance, faculty workload, leaves, student marks and attendance information, counseling details, etc.

- Campus ERP webpage url: <http://sves.org.in/Ecap/>
- ECAP Login Page

- Circulars

The screenshot shows the 'CIRCULARS' page in the ECAP system. It features a navigation menu on the left with categories like 'ACADEMICS', 'STUDENT', and 'FACULTY'. The main content area displays a table of circulars posted within the last 30 days. The table includes columns for Sl.No, Date, Circular From, Subject, and Description. A 'View' link is provided for each circular.
